

QuickCheck's Annual New Jersey Festival of Ballooning

“The largest summertime hot-air balloon and music festival in North America”

Over the summer of 2016, MORT attended the QuickCheck New Jersey Festival of Ballooning in Readington, NJ. This is the Largest summertime hot air balloon and music festival in North America. Attracting upwards of 165,000 people. For both dates students held demonstrations for the visitors and educated them about MORT and FIRST. Our MORT members wheeled our robot over a carpeted surface and spoke about our 2017 build and competition season. With over 25 MORT students participating this event was a success and we could not have done it without the help of our team. All in all teams were able to spread their love for first as well as watch the amazing hot air balloons soar high in the sky!
